

BVC VDAY BASH – FEB. 13-14, 2010

PLAYING LOCATIONS – FOOD RULES

****We ask that you PLEASE observe all of these rules. These facilities do not HAVE to rent to us, but they do each year because we leave them in good condition each year and follow their rules.**

In addition to the listed rules, we expect EVERYONE to pick up after themselves (on team benches, in the eating areas, etc.). PLEASE BE RESPECTFUL THAT WE ARE RENTING THESE LOCATIONS!!!!

THOMPSON HIGH SCHOOL

We would ask that no food is brought into the gym. We will open up the lunchroom for teams to be able to use the tables there. We just ask that they throw away their trash.

HOMEWOOD HIGH SCHOOL

No outside food allowed at our facility. We will have a concession stand

HOOVER HIGH SCHOOL

Food tables will be set up in the cafeteria. Water only in the gyms please.

BRIARWOOD CHRISTIAN SCHOOL-SOUTH CAMPUS

There is no food or drink allowed in gym (other than water). We will have the downstairs lobby open for tables. There will be extra parking in the back of the gym. Any food tables will need to be brought around the back of the gym. They will have to go outside and down the steps to get from gym to food tables, but there is a spot inside for the food tables.

MCADORY HIGH SCHOOL

Also, the rules we have are no food in the gym. Please remind the teams to clean up the bench when they are finished with their match. Players/parents need to please empty any liquids from containers before they put them in the garbage! It makes for a messy and heavy long trip to the dumpster when they put containers with liquids in the garbage cans. Team tables can be set up in the gym lobby (concession stand area) and we will have some tables available for them on a 1st come basis.

UAB CAMPUS REC

ABSOLUTELY NO FOOD AT ALL ALLOWED IN! Water only in the gym (they will not let you past the turnstiles with any other beverage or any food.)

Teams should **ONLY** be in the gym with the courts. Please do **NOT** filter in to any other room or racquet ball courts. These are **NOT** for the tournament or warming up or for lounging in between matches.

If teams violate this rule, we run the risk of being asked to leave immediately.

PELHAM HIGH SCHOOL

Food outside **ONLY!!!** No food allowed in the lobby/gyms/upstairs.

Water only inside. Please make sure and clean your benches in between matches.

In the gym with 2 courts – there are **NO SPECTATORS** allowed on the gym floor area – seating is available upstairs.

The only people on the gym floor should be the teams playing and reffing. **NO SITTING ON THE PUSHED IN BLEACHERS!!!!!!!**
