

13<sup>th</sup> Annual BVC Valentine's Day Bash  
Feb. 13-14, 2010

**TOURNAMENT FORMAT & TIE BREAKING PROCEDURES**

**TOURNAMENT FORMAT:**

All teams will play 6 sets on Saturday during their wave pool play (2 sets versus each opponent in their 4 team pool). Some pools may be modified if teams withdraw unexpectedly. Saturday matches will consist of 2 sets 0-25, win by 2, no cap. There will be NO deciding 3<sup>rd</sup> game. Teams will be re-seeded based on their record from Saturday. No Playoff matches will be played. Waves start at 8am and 2pm (with coaches meetings 15 minutes prior to the start of the wave). The only matches that have firm start times are the first ones in the wave, all matches after will be played immediately after the one before it. There will be no lunch break on Saturday.

All teams move in to a "play in" match round first thing Sunday morning. In most scenarios – 1's will play 4's from different pools and 2's will play 3's from different pools. The Winners of those "play in" matches will move in to the Gold single elimination bracket. The losers of the "play in" matches will move in to the Silver single elimination bracket. ALL Sunday matches will consist of a best 2 out of 3 – first 2 to 25, start at 0, win by 2, no cap. The third (if necessary) to 15, switch at 8, win by 2, no cap. \*In MOST situations, the losing team must stay and ref the following match!! All first matches begin at 8:00am on Sunday, with other matches following immediately after. Matches will start as much as, but not more than 45 minutes prior to the scheduled start time. Also, there are a few teams who will have a reffing assignment PRIOR to their first match on Sunday. It is the responsibility of each team to figure out whether you have a ref assignment before you play on Sunday. Teams will be penalized and fined according to SRVA rules for failure to uphold their reffing duty.

**TIE-BREAKER PROCEDURE:**

In the event that 2 teams are tied in set record after pool play on Saturday, the following will take place in this order to determine the higher seed \*NOTE-there will be NO tie breaking sets played because no teams are being eliminated from the Gold Division based on Saturday pool play.

- 1- Overall set record
- 2- Head to head set record
- 3- Head to head points
- 4- Overall point differential (total points scored in all sets MINUS total points scored against them in all sets)
- 5- Coin flip

In the event that 3 teams are tied in set record after pool play on Saturday, the following will take place in order to determine the higher seed \*NOTE-there will be NO tie breaking sets played because no teams are being eliminated from the Gold Division based on Saturday pool play.

- 1- Overall set record
- 2- Overall point differential (total points scored in all sets MINUS total points scored against them in all sets)
- 3- \*If 2 teams are still tied, then refer to the two-way tie breaker rules above
