

Coach Breana Thomas

Breana is a student at the University of Montevallo and a four-year member of the volleyball team. As a middle-hitter, she helped her team make it to the Peach Belt conference tournament three times. Off the court, Breana made her mark being the biggest cheerleader for her teammates as well as an all around leader to keep positive vibes in the atmosphere. On campus, in general, she has done her best to be a leader and set an example of what it is to be a student-athlete as well as a person that cares deeply about her community and her fellow man.

Breana was born and raised in Lithonia, GA where her parents still live. Although she was home schooled from the second grade through high school, she participated in clinics multiple times a week with Volley Performance Volleyball Club while most athletes were playing on their high school teams. She played Club volleyball all four years of high school but the best were the three years at GA5 under the coaching of Master Coach, April Carroll. During the winter seasons, she coaches at the GA5 winter camp. She has also served as the assistant coach with the Alabama Juniors volleyball club.

Breana is a senior Social Work major at the University of Montevallo. She is eagerly preparing for her internship next semester. Her plans following graduation involve the hopes of receiving a fellowship opportunity with the focus on improving communities. And at some point Graduate School. She has an older sister, a younger brother, and five nieces and nephews that call her Bre-Bre.
