

Coach Emery Little

Emery is very excited for the opportunity to coach her second year of travel volleyball. She is currently a senior at Oak Mountain High School. She played club volleyball for three years at Southern Performance and two years at BVC, and she played school volleyball for three seasons. She has been a left back, an outside, a middle, a setter, and a right side hitter. In addition to serving as captain of her JV team, she received an MVP award, All Tournament Team, and GPA Scholar Athlete award two years in a row.

After finishing a stress fracture that had developed in her foot, Emery was told her injury might never heal, and she might never play volleyball again. Facing the frustration of missing a season, she decided to make the best of a bad situation and became an assistant coach for BVC 13 Black under Chris Brooks. Through this opportunity, she learned about player development and encouragement through team unity. This experience was one of the best she's ever had, and it solidified her thoughts about coaching.

In addition to coaching volleyball, Emery is an ACT tutor and a freelance sports, portrait, and concert photographer. She is an active volunteer and holds leadership roles in many clubs including President of National Honor Society and Secretary of the Peer Helper mentoring program. She was just recently named a National Merit Semifinalist. Emery hopes to attend Vanderbilt University in the fall of 2018 to major in psychology.
