

## **Coach Isabelle Nesbitt**

I started playing volleyball my 7<sup>th</sup> grade year at Shades Mountain Christian school I played on the Middle School team from my 7<sup>th</sup> to 8<sup>th</sup> grade year. I played at the same school my freshman year for Coach James Hanger. He got me into playing for his volleyball club, at the time it was called Team Sting but it's now called Southern Performance. I played for them for about 3 years as a defensive specialist and I also played as that position in HIGH SCHOOL ball as well. After I had graduated from Shades Mountain Christian School I held an off campus volleyball clinic because the current coach was not available to. I went to college at Mississippi College for a year and played volleyball for them my freshman year. Last year was my first year with BVC and I was an Assistant Coach for 14 Pink . This is my second year with Birmingham Volleyball Club.
