

Coach Katie McCormack

Katie McCormack joined the BSC volleyball coaching staff in the summer of 2017.

She returned to the Hilltop after graduating from Birmingham-Southern in the class of 2016. During her time as a Panther, McCormack garnered American Volleyball Coaches Association Honorable Mention All-America honors, ranked third all-time in career assists, and helped lead the 2015 team to the programs first NCAA Tournament appearance where they reached the Round of 32.

McCormack began coaching long before finishing her career, and has coached club volleyball for the Birmingham Volleyball Club for the last three years. She has worked consistently with BSC's summer volleyball camps since 2013, and served as the program's volunteer assistant coach during the 2016 season.
