

Coach Mandi Ray

This will be my 5th year coaching with BVC and I am looking forward to getting the year started. I played volleyball, basketball and softball throughout my high school career. I played at Gresham Jr. High for my freshman year, for Northside High School in Fort Wayne, IN my sophomore year and then for Vestavia Hills High School my Junior and Senior years. I received a volleyball and softball scholarship to Central Alabama Community College where I played outside hitter and middle and left back in volleyball. I have been officiating volleyball for AHSAA for the past 12 years, Line Judging and Score Keeping for Montevallo, UAB and BSC for the past 10 years. I also was assistant varsity coach for softball at Spain Park High School for 8 yrs.

I am married and have 3 children, Paxton, 23, Milea, 20, who is currently playing volleyball at Birmingham Southern College. She participated in club volleyball from the age of 12. I also have a 6 year old, Brenna, who thinks she is ready to step on the court and start playing already.

I love coaching club and watching the girls grow in their volleyball skills but also in their life skills. Each year brings something new and I always look forward to the challenge.
