

Coach Meredith Giangrosso

I played volleyball for Pelham High School as a defensive specialist. I went to UAB on a 4 year softball scholarship. I currently teach at Calera Middle School as a reading interventionist for 6th, 7th, and 8th grade and 6th grade social studies teacher. I am currently in my 3rd season as assistant coach for Calera High School Volleyball Team. In my 3 seasons as assistant coach we have won 2 area championships, competed in 3 regional tournaments, and have been in the Elite 8 for the state tournament. This will be my first year coaching at BVC and I am looking forward to a great season.
