

Coach Porsha Tolbert

This is my first year coaching with BVC and I'm super stoked! I'm very familiar with BVC considering that I played myself for 3 years (2008-2011). I played under Tien Le my sophomore year and Haven O'Quinn my junior and senior year at Pelham High School graduating in 2012. I've received honorable mention my junior year of high school and I also played in the North and South All Star Game (2011). I did receive a scholarship to Faulkner State Community College playing as an outside hitter (which I've played most of my volleyball career). I'm currently an assistant coach at Cornerstone School of Alabama but I do have an off campus job as well. I look forward to running a fast paced offensive and an even better defense. I believe in having a strong bond with the team and the families and teaching high intensity volleyball this year.
